

Pat Sullivan- (Acoustic Alternative Pat!)

Live Current & Classic Popular Rock Music!

About Me... Grew up in the Midwest but lived in Tampa Bay since 1979. (That makes me from Florida now) Musician since 1975, Employed at TECO, College Graduate. Married to my Lovely Wife Susan in Jamaica 1993. I Love my Family and 2 dogs!

About Music... Currently, a Solo Musician/ Vocalist that performs a wide range of Cover material to accommodate any audience. I also play in band projects, but Soloing for the past few years has really been a lot of fun! I love to play current and classic popular rock favorites in an upbeat atmosphere for cool people!

Where I Play... Some of the fine establishments I've played recently in Tampa Bay include: Ballyhoos Grille, Beef O' Brady's, C. J.'s Tavern, Cornerstone Pub, Tanya & Matt's (a very cool place!), Taste of Safety Harbor, Hogan's of Carrollwood, Rick's on the River, Jake's Java Joint, Whistle Stop Grille, Dubliner Irish Pub, Gaspar's Patio, Javatropolis, Suro's Sushi, to mention just a few. Who knows, Your place might be next!

What I Play... Takamine & Taylor Acoustic or Gibson & Fender Electric Guitars, Marshall Amplifiers, Honer Harmonicas, Samson & Shure Mics, Alesis drum machine, Boss, Zoom, Morley & Digitech effects pedals. I use a Behringer 500W P.A./mixer with 1000W JBL 15' dual speaker cabinets and floor monitors. I do not use sequenced music. (Karaoke with a guitar! ☺) I do however; play CD's of current popular music during intermissions. I'd be happy to provide my current song list and/ or a demo CD of some live cover music I've recorded. I also take special requests and can easily play them for you all night long!

About My CD... Entitled: "Movin' the Beat", was a 2007-2009 Solo Project. It is a collection of Original Music written, performed, recorded, mastered and produced in my home studio. It features Yours Truly on Vocals, Acoustic and Electric Guitars, Bass, Harmonica and Keyboards. I did however; get a bit of help from a drum machine and several audio clips off the Internet. I'm Very Proud to call this CD a Truly Individual Solo Work! - I hope you enjoy it! ☺
